A Debt Not Park by Duc-Bills.

The Copperhead teaders are promulgating a sophism which in effect asserts
that a debt can be pold by giving the
creditors a dus-bill. They advocate part
ing off the debt with groenbacks, which
is precisely the same thing as a man discharging a debt with a due-bill.

A greenback is a date of the governjust as much as a five-twenty hond. Let
the reader take one out of his pocketbook and examine it, and he will inform the surgement will probably be to show
